

## NEARBY CONSTRUCTION ALERT

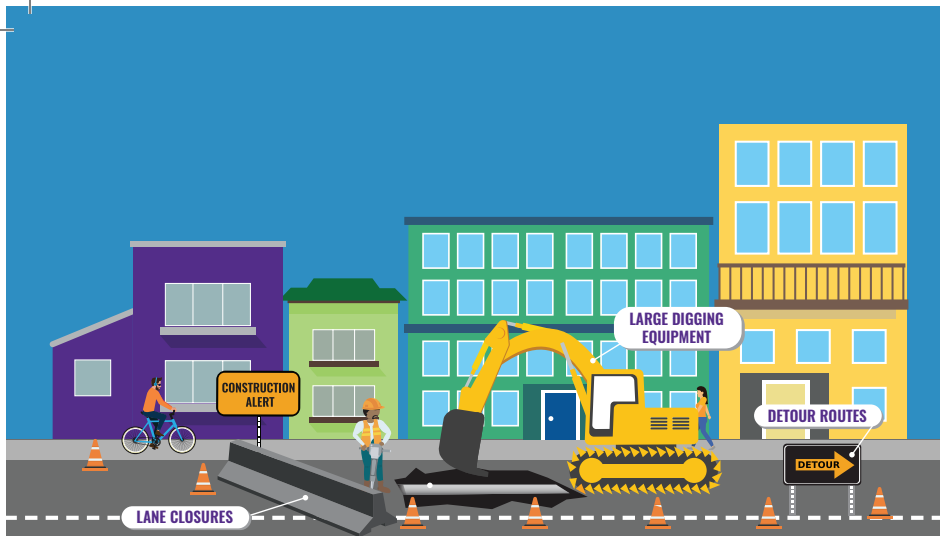

Charlotte Water and its contractor, RH Price, will finish Phase 6 of the South End Water Main (SWM) Project along South Blvd. in early November. Phase 7 of the project will begin in early December and will begin just north of Poindexter Dr. and continue through the Remount/Ideal Way intersection. This work is expected to last approximately three months.

## TRAFFIC IMPACTS (DEC. 2021 – MAR. 2022)

Charlotte Water requests that residents & businesses in the area observe posted traffic signage & plan commutes accordingly. Please note the following traffic impacts if traveling in the area:

- 💧 The Remount/Ideal Way intersection will close in early December
- 💧 South Blvd. Southbound Traffic
  - No left turns onto Ideal Way
  - Right turn lane only onto Remount Rd.
  - Left turn lane allowed at Poindexter Dr.
- 💧 South Blvd. Northbound Traffic
  - No left turns onto Remount Rd.
  - Right turn lane only onto Ideal Way & Poindexter Dr.

## South End Water Main (SWM) Improvement Project

To address the needs of an aging water system in the growing South End area & to ensure ongoing, reliable service for customers, Charlotte Water has partnered with Stantec (engineering) & R.H. Price (construction) on the South End Water Main (SWM) Improvement Project to replace the water main on South Blvd. between Scaleybark Rd. & Worthington Ave.
