

## NEARBY CONSTRUCTION ALERT

Beginning January 4, Charlotte Water and contractor RH Price, will begin water main construction activities at the corner of Ideal Way and South Blvd. This work will last approximately three weeks.

## TRAFFIC IMPACTS (JAN. 04 – JAN. 25)

Charlotte Water requests that residents and businesses in the area observe posted traffic signage and plan commutes accordingly. Please note the following traffic impacts if traveling in the area during this time:

- 🚗 South Blvd. northbound traffic will be able to turn right onto Ideal Way
- 🚗 Traffic traveling westbound on Ideal Way will not have access to South Blvd. Please consider Euclid Ave. as a detour option

## South End Water Main (SWM) Improvement Project

To address the needs of an aging water system in the growing South End area and to ensure ongoing, reliable service for customers, Charlotte Water has partnered with Stantec (engineering) and R.H. Price (construction) on the South End Water Main (SWM) Improvement Project to replace the water main on South Blvd. between Scaleybark Rd. and Worthington Ave.
