SOUTH END WATER MAIN IMPROVEMENT PROJECT: PHASE 11

Charlotte Water & its contractor, RH Price, are nearing completion of Phase 10 of the South End Water Main (SWM) Improvement Project along South Blvd.

Phase 11 of the project will begin the week of June 13th, with moving the traffic barrier walls through the intersection of Tremont Ave., ending just north of the E. Worthington Ave. intersection. This work is expected to last approximately three months.

Throughout the remaining phases of the project, the SWM project team will continue to coordinate with other construction projects in the South End area, and work together to limit impacts as much as possible.

NEARBY CONSTRUCTION ALERT

SOUTH END WATER MAIN IMPROVEMENT PROJECT: PHASE 11 NOTIFICATION

TRAFFIC IMPACTS

The Tremont Ave. intersection at South Blvd. will be closed to vehicular traffic (vehicular traffic cannot crossover South Blvd.).

- **South Blvd. Southbound Traffic**
 - No left turns onto Tremont Ave. (heading eastbound)
 - Right turn remains open onto Tremont Ave. (heading westbound)
 - Left turn is allowed at Cleveland Ave.
 - No left turn onto E. Worthington Ave.
- **South Blvd. Northbound Traffic**
 - Left turn is open into Atherton Mills at McDonald Ave
 - No left turn onto Tremont Ave. (heading westbound)
 - Right turn remains open onto Tremont Ave. (heading eastbound)
 - Right turn remains open onto E. Worthington Ave.

During this phase, there will be a three-month closure of E. Tremont Ave. between the LYNX Light Rail and South Blvd. There will also be a two-week closure between Cleveland Ave. and South Blvd. A pedestrian crosswalk will remain open at all times at the intersection of E. Tremont Ave. and South Blvd. Please text southendwater to 31996 for the most up-to-date information on Phase 11 closures and visit charlotteswm.com.
