IMPROVEMENT PROJECT: PHASE 9B

SOUTH END WATER MAIN IMPROVEMENT PROJECT: PHASE 9B NOTIFICATION

NEARBY CONSTRUCTION ALERT

Charlotte Water & its contractor, RH Price, are nearing completion of Phase 9A of the South End Water Main (SWM) Improvement Project along South Blvd.

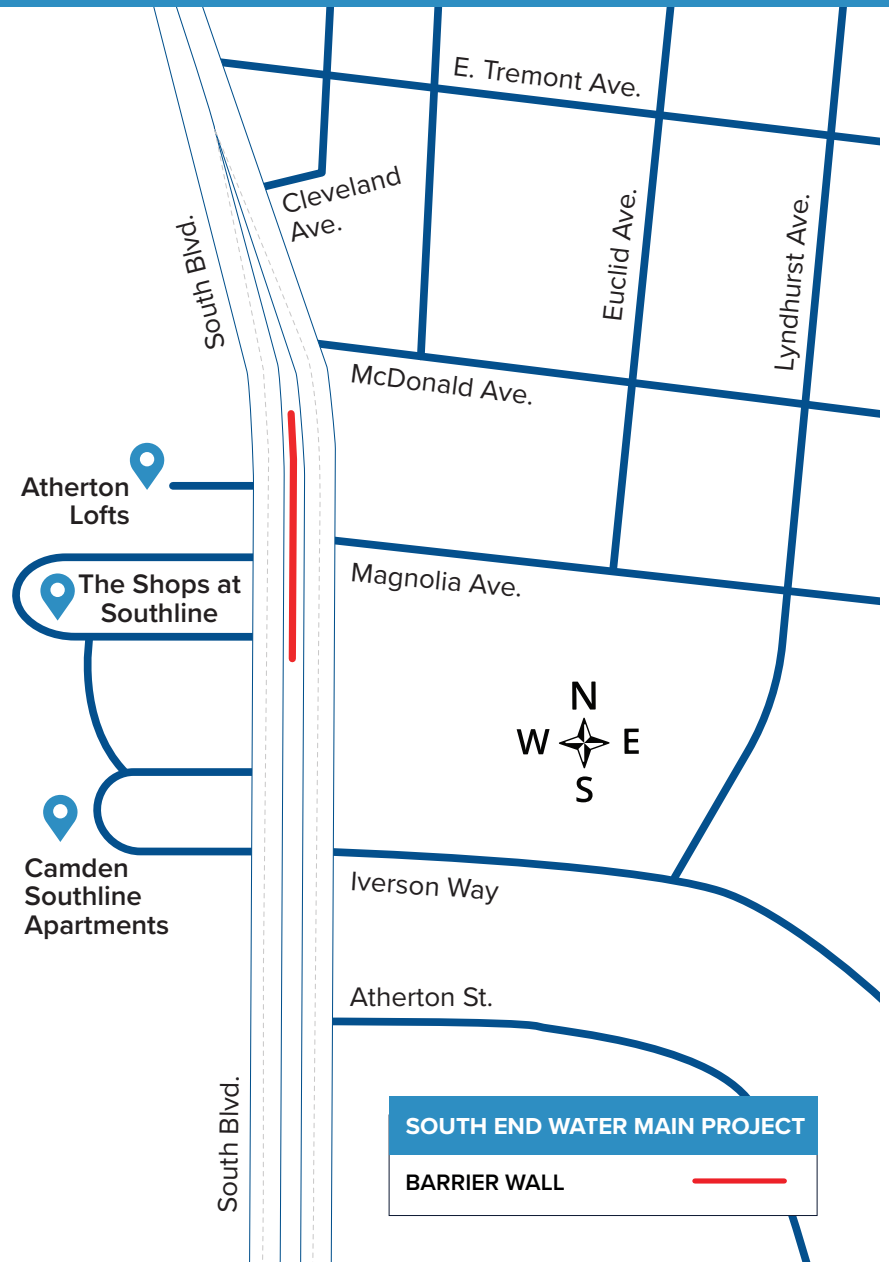

Phase 9B of the project will begin the week of April 11th, with moving the traffic barrier walls from the intersection of Iverson Way, through the Atherton Lofts entrance roadway, ending just south of McDonald Ave.

This portion of the project is expected to last until June.

TRAFFIC IMPACTS

The Iverson Way intersection will remain open to vehicular traffic.

- **South Blvd. Southbound Traffic**
 - No left turns onto Magnolia Ave.
 - Right turn lane remains open into The Shops at Southline and Camden Southline Apartments
 - Right turn remains open into Atherton Loft entrance roadway
 - Left turn is allowed at Iverson Way
- **South Blvd. Northbound Traffic**
 - Right turn remains open onto Iverson Way
 - No left turn into Atherton Loft entrance roadway
 - Right turn lane remains open onto Magnolia Ave.
 - Left turn is open into Camden Southline Apartments and The Shops at Southline

During this time, CLT Water and the project team requests that residents and businesses in the area observe the posted traffic signage and plan commutes accordingly.
